#### **Introduction**

**ATTENTION:** As we continue with the review process, Achievement 5 is where we will work today.

**MOTIVATION:** Do you feel comfortable with the material so far? We have only a few more weeks before the test. It is important that you ask questions on any part you do not understand.

**OVERVIEW:** This period is designed to provide each cadet time to review all the material that is associated with the Charles A. Lindbergh, Achievement 5 in preparation for the General Billy Mitchell Award Test.

**TRANSITION:** As we continue reviewing each achievement's material, we will answer your questions on the previous achievement review before beginning this week's review. Does anyone have any questions or not clear on something from last week?

#### **Body**

**NOTE:** The instructor will use the review questions in the leadership and aerospace education material to aid in the discussion and review of the Charles A. Lindbergh, Achievement 5. Review one of the Aerospace Education Volumes not previously reviewed. Use the other material as needed to cover the required items. Clear up any questions or misunderstanding on previous review before moving to the new material.
